Dear Parents/Guardians,

I am pleased to inform you that Southside Elementary Museums Magnet School has once again received recognition as an A School under the Florida Department of Education School Accountability Program. The school grade is evidence of the collaborative efforts of faculty, learners and their family members, and other community stakeholders.

Serving as the instructional leader of Southside Elementary and working in collaboration with Assistant Principal, Annette Bravo-DelValle and Community School Assistant Principal, Dr. Reinaldo Benitez, we are committed to ensuring that your child will receive a world class education. Along with dedicated faculty and staff, we will continue to provide a safe learning environment where your child will be surrounded with maximum opportunities for learning.

I invite you to become an active and integral part of your child's educational experience at the school and I take this opportunity to welcome you to the 2016-2017 school year.

Sincerely,

Salvatore Schiavone
Principal
